SAY NO TO HIGH RISE!
ONCE THEY START THEY WON'T STOP!

DON'T LET THEM SET A PRECEDENT FOR NEW SALISBURY DEVELOPMENT

As you may be aware Brisbane City Council has put forward a draft strategy to rezone some of Salisbury's residential areas to allow for 3 to 5 storey high rise developments, many near our schools and kindergartens.

A growing number of people are concerned that this proposed development would have a detrimental effect on congestion, the safety of our children near schools, Salisbury's environment and wildlife, the future of our community and livability of our suburb.

We understand that development in Salisbury is inevitable but need to see a proposal that is more in keeping with the character of our suburb and is understanding of our community's needs.

Don't let them bury Salisbury - Have Your Say!

Feedback on the draft strategy has been extended and must be received by midnight Monday 26 July 2021.
